

## **Plan now to attend *NCAP 2021* during Outdoor Programs & Properties Week at Philmont, September 20 – 26, 2020**

This will be a week devoted to all things NCAP. There will be discussions about Authorization, Assessments, Interim Reports, Standards, and the NCAP process from the Council's perspective. This will be an opportunity for attendees to network with their peers from across the nation and discuss the NCAP process with members of the National Committee. We want everyone to bring their input because there's always an opportunity to improve the process! Participants should plan on arriving on Sunday, September 20th (check in begins at 2:00 pm) and plan on departing on Saturday morning, September 26th. Go to <https://www.philmontscoutranch.org/ptc/2020-conferences/> in order to register for the conference as well as to get additional information regarding attending a conference at Philmont.
