Autumn Adventure

Winter Adventure

Overview

Overview

Experience the splendor of the leaves changing to gold and observe wildlife including pronghorn antelope and elk during Philmont's Autumn Adventure program. It is a time of year characterized by sunny warm days and crisp cool nights. You will be provided a skilled guide who will accompany you on your trek. Autumn Adventures can be enjoyed as an all adult crew or as a traditional crew with youth.

Learn the skills required for cold weather camping while enjoying the beauty of Philmont in the winter. An experienced Philmont guide will teach your crew to set up a camp in snow conditions, including building snow kitchens and shelters. Once you leave Philmont, you can apply these skills to other snow and cold weather camping trips you may embark on with your troop or crew.

Program Opportunities

Backpacking

- Plan an itinerary of your own to hike to the parts of the ranch your crew wants to see.

- Base Camp options include Beaubien, Phillips Junction, Fish Camp, Cimarroncito, and Hunting Lodge

Fishing

- Take advantage of Philmont's sparkling streams and enjoy the solitude of a fly fishing experience.
