Position Overview

The Associate Director of Conservation – Forestry (ADC-Forestry) leads the offseason forestry programs. The offseason forestry program is responsible for conducting fuels reduction and timber thinning projects at strategic locations around the ranch. The ADC-Forestry supervises and provides training for up to 40 staff. The ADC-Forestry works closely with the Director of Conservation, Forester, Field Manager, and other seasonal management inside and outside of the Conservation Department to ensure that Philmont's education and recreation management objectives are met.

Primary Duties & Responsibilities

- Establish yourself as a leader within the Conservation Department and Philmont Scout Ranch by setting an appropriate example for other staff and participants.
- Oversee the training of the Conservation Forestry Staff, ensuring that they are prepared to perform their jobs as expected by Philmont's permanent and seasonal managers. This includes job skills training and training in the policies, procedures, and practices described in the Philmont Staff Guidebook.
- In coordination with other Philmont department managers ensure that the logistical needs of Conservation Forestry Crews are met.
- Prepare a training report, documenting the schedule and content of all training provided.
- Provide midsummer and end-of-season evaluations for all staff members.
- Maintain communication with seasonal management regarding Conservation Forestry Crews and projects. This includes conversations in person and via inter-camp mail, as well as during field visitations.

- Assist the Philmont Marketing Department in its efforts to promote the Conservation Department.
- Prepare a final report, detailing the season's operations.
- In coordination with other members of Conservation management, conduct site visits providing project and priority guidance.
- In coordination with other members of Conservation Management, be a resource in basecamp to staff coming in and out of the backcountry.
- Complete other duties as assigned by direct supervisor or ranch management as required

Desired Qualifications & Experience

- Must be 21 years of age by time of employment
- Experience working as an informal and formal educator, in a wilderness setting.
- Demonstrate excellent leadership, organizational, planning, and conservation work skills. A key component of the position is maintaining relationships with other seasonal and permanent departments on the ranch.
- Have an intimate understanding of Philmont's operations and culture. Excellent social skills, a background in volunteer management, and a background in working with youth are desired.
- Typical applicants have at least three years of experience at Philmont, including at least two years in the Conservation Department at least one year as a Conservation Site Foreman.
- Education and conservation work experience outside of Philmont are also desired
- Be able to secure and maintain a Philmont driving permit

Physical Requirements & Work Environment

- Must meet the BSA height/weight requirements
- Be able to lift and handle materials up to 70 pounds throughout the scheduled workday
- Up to 90% of the workday could be spent standing, walking, bending, stooping, kneeling, or crouching
- Be capable and willing to work in all types of weather conditions at various locations
- Be able to hike to remote worksites, carrying loads up to 60 pounds.
- Be prepared for strenuous workdays that can include hiking and working on rough terrain, in all weather conditions, for 9-12 hours.
