

POSITION DESCRIPTION

Position:	Forestry Equipment Crew Staff
Department:	Conservation
Salary Level:	I (General Staff)
Default Housing:	<i>Tent-CHQ (Final housing assignments may differ based on availability)</i>
Reports To:	Forestry Equipment Crew Foreman
Desired Availability:	May 25 – August 22

Philmont Standards

- Must be at least 18 years of age by start of employment (21+ requirement, if applicable, will be noted below)
- Must become a registered member of the Boy Scouts of America at the start of employment and subscribe to the Scout Oath, Scout Law, and Declaration of Religious Principles
- Must provide a complete and current BSA Annual Health and Medical Record to the Infirmary upon arrival including review of risk advisory and immunization requirements
- Must maintain a clean, well-groomed appearance and be willing to purchase required uniform parts to meet Philmont's uniform policy
- Must participate in designated staff training
- Must adhere to the policies and programs set forth by Philmont Scout Ranch management

Position Overview

The Forestry Equipment Crew Staff, under the direction of the Crew Foreman, implements plans for skidding, yarding and milling operations as part of larger thinning projects. Their operations are intended to restore the structure and species composition of Philmont's forests and create defensible space around the ranch's infrastructure investments. The crew is generally deployed to the same location for several work runs in a row. They operate chainsaws, brush cutters, tractors, and woodchippers. They prepare brush piles for off-season burning and process larger logs for internal use as lumber and firewood.

Primary Duties & Responsibilities

- Be an active participant during Conservation Training. Remain engaged, ask questions, and volunteer to help as needed.
- Be constantly alert to the welfare and safety of scouts, advisors, coworkers, and anyone else in the vicinity of your work site. Demonstrate good situational awareness.
- Be a good team member, sharing the responsibilities of daily crew operations with your coworkers.
- Be a resource for other staff and campers, helping them to understand the threat of wildfire and the importance of proactive forest management.
- Become an expert in safe and proper use of provided hand and power tools, as well as any equipment you are assigned to use.
- Become proficient in the use of forestry measurement tools.

- Properly maintain your crew's tools and equipment to the standards of the Philmont Conservation Department.
- Maintain clean and organized campsites while deployed in the backcountry, following the procedures in the Philmont Ranger Field Book.
- Know and use the appropriate safety measures to your crew, including the use of personal protective equipment and safe working practices.
- Complete other duties as assigned by direct supervisor or ranch management as required

Desired Qualifications & Experience

- Possess a working knowledge of forestry principles and measurements, experience operating power tools and equipment
- Possess a solid foundation of conservation work and leadership experience
- Participating in one of the Philmont Conservation Department's individual treks (ROCS, OATC, TCT, STEM) is suggested

Physical Requirements & Work Environment

- Must meet the BSA height/weight requirements
- Be able to hike to remote worksites carrying loads up to 60 pounds
- Be prepared to spend up to 9 consecutive nights per work hitch in undeveloped backcountry campsites
- Up to 90% of the workday could be spent standing, walking, bending, stooping, kneeling, or crouching
- Be capable and willing to work in all types of weather conditions at various locations
- Be prepared for strenuous workdays that include hiking and working on rough terrain, in all weather conditions, for 9-12 hours

Additional Information

Training Opportunities: The Forestry Equipment Crew Staff participate in a specialized training to operate equipment specific to their jobs. They also complete eight days of Conservation Department Training, followed by four days of chainsaw training. Opportunities may arise throughout the summer for on-the-job training in advanced chain sawyer skills, rigging, heavy equipment operation, or other advanced skills.

It should be noted by applicants that Philmont Scout Ranch and the surrounding area are located in a rural ranching community within the high desert of the Sangre de Cristo mountains. Climate, culture, and the availability of resources may vary significantly than other communities. Amenities applicants are used to may not be available on the ranch or the surrounding area.

Philmont and the Boy Scouts of America provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state, or local laws.

This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.
