

Now & Then BSA Retiree Conference

July 16-22, 2023

The Now & Then retiree communications team is hosting a reunion conference for all retired BSA employees and spouses, from all councils, all regions, and the National Council. The Ranch will be in full operation so we can enjoy all PTC and Philmont has to offer.

And, we can bring our children and grandchildren to enjoy Philmont and the PTC family programs with us!

A committee of retirees and spouses is working with Philmont to create a rewarding week in "Scouting Paradise" for you and your family. The National Scouting Museum, the Villa Philmonte, the Kit Carson Museum, the Chase Ranch, Tooth of Time Traders, day hikes, crafts, campfires, tours, fly fishing, shooting ranges, regional gatherings, PTC's famous family program for all family members, and SO much more will be open to us.

We are also inviting guests to share topics of interest to BSA retirees. But for the most part the agenda is fun and fellowship.

We hope you can join us!

NOW & Then

Now & Then BSA Retiree Conference July 16-22, 2023

I want to go back to Philmont!

For the first time, retired BSA employees and their spouses - from all regions - are invited to gather for a national reunion at the Philmont Scout Ranch, while the ranch is in full operation!

Not only that, we have been encouraged to bring our children, grandchildren, and great-grandchildren to enjoy the famous Philmont Training Center program with us!

Conference Fees for the week: **(Fees include all meals and the full PTC family program)**

\$300 for retirees

\$300 for spouses

\$300 for any family member over 18

\$275 for children 11-17

\$240 for children 6-10

\$135 for children 0-5

These fees are a *significant* reduction of the normal PTC fees and are just for our conference, but there are still camperships available.

Housing fees are additional depending on housing choice.

While most of the housing at PTC is the traditional large wall tents with beds and electricity, PTC's facilities have been upgraded since the last time you were probably there. There are now private restrooms/showers in all the tent cities and some deluxe "glamping" tents. **Limited "roofed" housing may be available.**
