

# Philmont Training Center Masters Track Award

The Philmont Training Center (National Volunteer Training Center for the Boy Scouts of America) is proud to offer training opportunities for all levels of Scouting Volunteers. Training is vital to the success of our organization, from the basic training done in the local units, to advanced courses in the local Councils and through the training center. The purpose of this award is to promote educational opportunities, so that Scouters have incentives to not only return to PTC over a number of years and grow through the advanced-level training but to also take their knowledge back to their units, districts, councils, territories, national, and international venues.

**HOW TO RECEIVE THE KNOT:** Once you have completed the First and Second Tracks, please scan and email, or mail to PTC. If approved, you will receive a letter, knot, and certificate by mail. Additional knots may be purchased through your local Council BSA Store or PTC. Note you cannot fill out, complete, and submit this form during the same week you are attending PTC.

**FOR THE DEVICE:** The requirements for the Third Track can be found on the second page of this application. Once you have accomplished both parts of the Third Track, please scan and email, or mail the completed form to PTC. If approved, you will receive the device directly from PTC.

**All actions for the Philmont Training Center Masters Track Square Knot Award must be completed after January 1, 2022. All courses taken prior this date will not be counted.**

**Name:** \_\_\_\_\_ **Council:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**To earn the PTC Masters Track Knot Award, the Scout leader must complete the First and Second Tracks.**

## First Track

- Attend the Philmont Training Center as a summer or fall conference participant (where you would earn the PTC Conference Patch). NAYLE, Philmont Leadership Training (PLC), and Wood Badge Courses do not qualify.

Date \_\_\_\_\_ Course \_\_\_\_\_
