PARTICIPANT INFORMATION

As a participant on Philmont's Rayado Program, you can look forward to an exciting experience! The information contained in this packet will help you prepare for your adventure. Please read all of it carefully, it is intended to help you make your adventure the greatest.

PREPARATION

An important part of your Rayado Trek experience will involve strenuous hiking over rugged country. Both you and your equipment must be in top condition.

Important Preparation Tips:

1. Start a daily fitness program today!
2. Your feet and footwear will be especially important to your enjoyment of the program. Commit time to breaking in hiking boots and figuring out the best footwear option for you.
3. Please brush up on backcountry skills. Philmont's YouTube channel has many great, informative videos you can watch: www.youtube.com/user/philmontscoutranch
4. Read the *Guidebook to Adventure*. While the program will be different, the other information is valuable.
5. Get ready to Expect the Unexpected!

EQUIPMENT AND SPECIAL CLOTHING

Necessary equipment is listed in the *Guidebook to Adventure* and on Philmont's website:

www.philmontscoutranch.org/philmonttreks/whattobring/. Remember that this list has been created for standard trek itineraries though the gear needed for Rayado is the same. Use your judgement to pack for your longer trek while taking pack weight into account.

The equipment listed includes **Equipment Provided by Crew**. These items will be provided for you upon your arrival, and your Rayado crew will split up gear accordingly. We do recommend you bring your own sunscreen and bug repellent, as limited amounts will be provided for the entire crew.

Storage space for excess baggage will be limited, keep such items to a minimum.

LEADERSHIP

Your Rayado Crew will be under the leadership of two Philmont Rangers who have had special training for the Rayado program. You will meet them at the Philmont Welcome Center on the starting day of your program. Rayado is designed for individual participants to develop leadership skills and to foster positive group dynamics. **Participants from the same unit or town will be placed in different crews to encourage personal growth.**

EXPEDITION NUMBER

Your expedition number is important. It helps Philmont quickly and easily identify the program and time for which you are registered. Be sure to include it in **ALL** correspondence.

Your crew's expedition number is **620-RM** or **720-RM** (Rayado Men); **620-RW** or **720-RW** (Rayado Women).

UNIFORMING

Wear your uniform proudly. It identifies you as a member of the greatest youth organization in the world. The shorts and field shirts have been found to be both comfortable and practical at Philmont. You are expected to be in uniform while in Base Camp.
