

SCOUT PIONEERING CONFERENCE

*Philmont Training Center
July 14-20, 2024*

Baden-Powell said,
“Pioneering is practical and character building: the two essential ingredients of any program material for Scouts.”

Learn what it takes to develop or improve an effective and successful pioneering program in your unit, district, or council.

Conference participants will review the most straightforward approaches to presenting pioneering skills, and participate in fun-filled pioneering activities that invariably contribute to making Scout meetings unforgettably FUN! In addition, an array of useful camp gadgets and impressive pioneering projects will be built that Scouts back home will enjoy and appreciate to build.
