Philmont Scout Ranch

Philmont Scout Ranch is Scouting America's largest National High Adventure Base. Born in 1938 as Philturn Rocky Mountain Scout Camp, Philmont has become a bustling center for high adventure, training, and family adventures. It covers 140,177 acres of mountain wilderness in the Sangre de Cristo range of the Rocky Mountains in northeastern New Mexico.

Philmont Scout Ranch operates 35 staffed camps and 55 trail camps across the rugged terrain that ranges in elevation from 6,500 to 12,441 feet. Philmont Training Center is built around the grounds of Waite Phillips' magnificent Villa Philmonte built in 1927.

More than 1 million scouts, venturers, and advisors have experienced the adventure of Philmont since its first camping season in 1939. Most activities take place during the summer, but Philmont also offers programs during the off season such as Autumn and Winter Adventures. Throughout its existence, conscientious attention to low-impact camping techniques and diligent wildlife and forestry conservation work has helped maintain Philmont's wilderness.

Individual Opportunities

Philmont has many programs designed to allow single Scouts to participate in a high adventure program by joining with others from around the country. Some programs combine performing jobs on the Ranch with Trek experiences at a reduced cost. Others have a conservation focus. All these programs are eligible for scholarships based on financial need. Adult leadership is provided by Philmont. Some programs are co-ed or have single-sex options.

Ranch Hands—After an eight-day work session with livestock, the Ranch Hands crew embarks on an eight-day Cavalcade under the leadership of a horseman and wrangler. Ages 16 to 20.

Roving Outdoor Conservation School—The aim of ROCS treks is to use adventure, learning, and expedition behavior to foster a unique relationship between each participant and Philmont. Through hands-on natural experiences in its forests, rivers, alpine meadows and mountaintops, participants will learn to be inquisitive and engage in the native world around them. 21 days. Ages 16 to 20.

Rayado is designed to challenge participants' physical and mental abilities. The program is known for developing outdoor leadership, problem solving, and advanced outdoor skills over 21 days. Ages 15 to 20.

Trail Crew Trek—Spend seven days living and working in Philmont's high country as part of the Philmont Conservation Department followed by a seven day Trek. TCT is designed to teach participants how to plan and facilitate conservation projects in their local communities. Ages 14 to 20.

Order of the Arrow Trail Crew—Similar to Trail Crew, but for Scouts with strong OA backgrounds focusing on personal growth through cheerful service. Ages 14 to 20.

Family Adventure Camp

BSA Family Adventure Camp is a family-focused experience where you participate in adventures and activities together! Each day, families choose between pursuits such as hiking, fishing, rock climbing, shooting sports, craft center and horseback riding to build an adventure perfect for themselves.

Half and full week options are available. Programs are offered in the summer, autumn and winter.

Summer programs include:

Welcome to Philmont Adventure—This adventure is a full week of showing you what Philmont is, what it was, and what it can be for families visiting this great big pile of rocks and prairies we call HOmE (Heaven On Earth).

Philhistorical Adventure—Spend the week getting to know the history of Philmont. Enjoy traveling through the ranch timeline seeing how the land was viewed by Native Americans, folks traveling west for opportunity, ranchers, historic lawmen and outlaws, and of course the Phillips family and how Philmont came to be what it is today.

Mini-bear Adventure—This family adventure is meant for families with younger age children (5-10 years old). On this adventure you can find your family exploring our famous T-Rex footprint (one of only two confirmed full prints in the world!), visiting a historic homesteading camp, scaling our climbing tower, spending time at the pony ring and farmyard, and visiting our Kit Carson Rayado Museum.

Adventure Seekers Adventure—This itinerary has a variety of activities that are age-appropriate and fun for everyone, especially family members who are 11 years of age or older. Spend time with our fantastic shooting staff, reach the top of our climbing tower and high ropes course, try your hand at fly fishing, and visit a backcountry camp while on a family hike.

Happy Hiker Adventure—Spend your days seeing historical sights, summiting peaks, and seeing Philmont activities in the backcountry. This itinerary is not for the faint of heart! It requires Part C of your Scouting medical form and being able to pass Philmont's height and weight requirements. Grab your pack and let's hit the trail!
