Plan to attend the Philmont Training Center June 14 to 20, 2026

"Growing Scouting: Developing a Culture of Growth"

- **Foundational:** For Unit Leaders, New Membership VPs, Chairs and Executives
- **Experienced:** For Seasoned Membership VPs, Chairs and Executives

Both conferences will have the benefit of a participating faculty with boots-on-the-ground knowledge and guest speakers from the National Service Center, both in person and virtual. The two conferences will meet together for some not-to-be-missed presentations and activities.

The conference schedules also allow ample time for networking as well as enjoying the many attractions of Philmont Scout Reservation and the Cimarron area.
