Summer 2019

Welcome to NAYLE!

Congratulations on your acceptance to attend the National Advanced Youth Leadership Experience at the Philmont Training Center this summer!

The course is designed to provide you with a Philmont based wilderness experience that motivates you to follow a life of helping others succeed based on the values expressed in Scouting. The Philmont staff is committed to making NAYLE a very special experience. You will live in a team setting at Rayado Ridge Leadership Camp where you will use NYLT leadership skills to resolve exciting and challenging back country situations. The week will conclude with a closing challenge for each of you to build upon the legacy of Waite Phillips, the benefactor of Philmont Scout Ranch.

NAYLE will equip you to be better unit leaders, NYLT staff members and/or superior camp staff. It will help guide your journey to become true “servant leaders,” able to develop all members of every team you lead. It provides life skills for now and the future.

**Review the enclosed information and share it with you family and unit leader.** Please, review the check-off list located immediately after this letter and make sure you complete all steps **before leaving for Philmont!**

We are pleased that you will be among the select youth who participate in one of Philmont and Boy Scouts of America’s outstanding programs.

Cordially,

Philmont Training Center Staff

## Uniform

The uniform is the official BSA Field Uniform (**Boy Scout khaki shirt, BSA green pants (short or long) Boy Scout socks, Scout belt or Venturing green shirt; official gray Venturing pants (short or long), Venturing socks and Scout belt** with the normal insignia - ***non-official, substitute uniform parts are not allowed!*** The activity uniform that is worn most of the time consists of a NAYLE cap and NAYLE T-shirt (furnished by Philmont) and Boy Scout or Venturing shorts/trousers. **There is no need for civilian clothes during the course.** You should report to the Training Center in a complete field uniform on the first day of your course.

## Spending Money

You will have an opportunity to purchase a Philmont belt and NAYLE belt buckle during the course. You will also have an opportunity to visit the Tooth of Time Traders (trading post) during your stay at Philmont.

## Special Meals

**Philmont does *not* provide food for special dietary needs when participants are in the back country ! Rayado Ridge Leadership Camp is considered part of the back country !** If such meals are necessary, you must provide your own food. Please discuss any special meal needs with your Course Director prior to arriving at Philmont. He/she will provide you with the menu and contents of the menu so that you can plan any substitutions. This includes special dietary foods such as those who are gluten intolerant or vegetarians.

## Medical Form

All participants of the NAYLE program must be in good physical condition and **able to backpack. A current National Health & Medical Form, Parts A, B & C is required.** Please pay special attention to the Height and Weight limits; **all participants must meet these requirements - you will be checked when you arrive. 1. You will spend five nights at Rayado Ridge Leadership Camp and one night at a backcountry campsite.
2. At Rayado Ridge Leadership Camp, you will sleep in a two-person wall tent. The tents are on platforms and have cots with mattresses. At the backcountry site, you will sleep on the ground in two-person backpacking tents. Philmont will supply tents. You may bring your own two-person backpacking tent for use in the backcountry; however, you will be required to share your tent with another person.
3. NAYLE is a coed training experience. You may be in a coed campsite. Separate tents for male and female participants will be provided.
4. You will be transported from the Philmont Training Center to Rayado Ridge Leadership Camp by bus. When you arrive at Rayado Ridge Leadership Camp, you will walk from the road to your campsite, a distance of one half (.5) mile! You will need to carry all of your gear in one trip. Please note that due to the rocky terrain, rolling bags are challenging; backpacks are the best method for carrying your clothes and gear; a backpack may be borrowed (with prior arrangement before the course) during check-in.

8. Philmont is bear country and precautions must be taken to avoid attracting bears to the campsites. All items that have an odor (smellables) are stored in an appropriate manner and containers. You should bring a stuff sack, small container or large Ziploc bag in which to store these items. A thorough briefing on bear safety and smellables will be provided on the first day of the course.

A **field uniform** includes the **official BSA or official Venturing** uniform shirt and insignia; **official BSA or official Venturing** shorts or long pants, **official BSA or official Venturing** socks and a Scout belt.
