About Philmont

Philmont Scout Ranch spans across 140,171 acres of challenging Scouting adventure among the mountains and mesas of northeastern New Mexico. Most of that land is part of two gifts from Oklahoma oilman, Waite Phillips, who donated it "for the purpose of perpetuating faith, self-reliance, integrity, and freedom—principles used to build this great country by the American Pioneer."

Philmont's mountain terrain ranges in elevation from 6,621 feet at headquarters to 12,441 feet atop Baldy Mountain. Our abundant wildlife population includes deer, elk, mountain lion, bear, bobcat, buffalo (American bison), and antelope.

Rich in history, Philmont was a part of the Beaubien-Miranda Land Grant awarded by Mexico in 1841. The Santa Fe Trail passed along Philmont's eastern boundary. Both Kit Carson and mountain man Lucien Maxwell built homes at Rayado, located on the current southeast corner of the ranch. Philmont Scout Ranch and the surrounding area have a rich heritage of Spanish, Native American, and Anglo cultures.

Since Waite Phillips's first property gift in 1938, over 1,000,000 Scouts and their leaders have participated in the challenge of the backpacking program offered at Philmont Scout Ranch. Staffed camps offer a variety of activities including horseback riding, burro packing, mountain biking, gold panning, rock climbing, forestry, riflery, archaeology, and much, much more—with an emphasis on environmental awareness.

Mr. Phillips held a deep respect for the American cowboy. As part of the gift, he asked that Philmont always remain a working cattle ranch. Philmont maintains cattle, pack burros, buffalo, and riding horses.

Serving as the **National Training Center for the Boy Scouts of America** since 1950, the Philmont Training Center offers a variety of week-long conferences for volunteers and professionals each summer. While a Scout leader is in conference, programs are planned for all members of the family – infant through adult. For the first time in 2018, a family-based adventure experience was hosted by the Philmont Training Center, Philmont Family Adventure.

What is Philmont Family Adventure?

Philmont Family Adventure is the Philmont Training Center's new program that focuses on families experiencing new and exciting adventures as a family unit. Family Adventure is designed to build bonds and create memories through exciting and interactive programs. This program will operate in an open enrollment format where you and your family will have the chance to choose activities that appeal to you. Families will meet for two program sessions daily: Morning and Afternoon. Additionally, there will be day-long activities such as hiking to Inspiration Point in Philmont's backcountry.

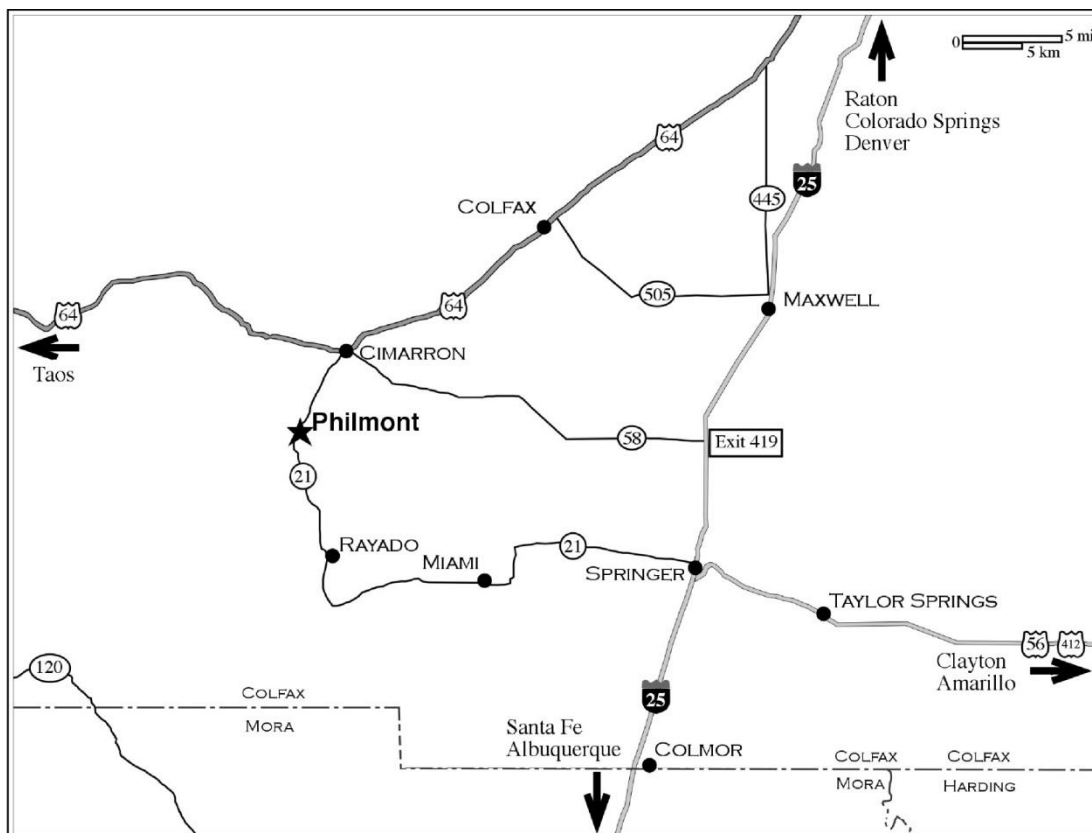

For all Philmont Family Adventure activities, minors (under 18 years old) must be accompanied by at least one adult family member 18 years or older. We strongly recommend you make group decisions as a family with the goal of participating together.

We appreciate your respect to this tradition as we continue this opportunity for our talented staff to present their skills.

Following the rodeo and dinner at the PTC, fireworks displays will be hosted by the cities of Eagle Nest and Raton. Each is about a 45-minute drive away. Philmont will not provide transportation, but we hope that you are able to join view the fireworks.

Philmont, for health and safety reasons, does **not** allow hikes in any backcountry areas other than the programs available as referenced by the schedule or upon your arrival the Training Center. This includes **the Tooth of Time**. Please observe this policy during your stay at PTC.

Housing and Meals

Tent Housing

Living in tents may be a new experience for you. Most participants find the leisurely life of tent dwelling to be comfortable and enjoyable in Philmont's climate. Each Tent City has shower houses, restrooms, a playground, a Tent City office, and a lounge area. Your Tent City staff will be nearby to help you in any way possible.

Your 10' x 12' canvas wall tent is on a wood or concrete platform and contains two metal-spring twin beds with mattresses, chairs, a metal locker, an electric outlet, and a light.

Irons, ironing boards, fans, clothing hangers, extra blankets, and other services are available for your use at no charge in the Tent City office. Games, evening activities, Cobbler Nights, patch trading sessions, and other activities will be organized by the Tent City staff or your fellow Tent City residents.

Tent assignments depend upon attendance numbers and the ages and number of members in your family. Common arrangements include multiple tents with cots and cribs. Capacity can be increased to three with the use of a military cot for families with small children.

Each tent city has nearby handicap accessible shower houses. All Philmont Training Center shower houses have individual locking units, with each room containing a shower, sink, and toilet.

Families staying in tents will need to bring their own sleeping bags (or other bedding), pillows, and towels for their stay.

Roofed Housing

Philmont Family Adventure has a limited amount of upgraded Roofed Housing available for an additional fee. Please contact Philmont.TrainingCenter@scouting.org to check the availability of roofed housing. The roofed housing option will be only accessible to the renting family for the duration of their stay.

Philmont will provide sheets and bedding, pillows, and towels for your stay in Roofed Housing. Room cleaning services will not be provided during the duration of your stay.

Roofed Housing is provided in two forms:

- First, a Multiplex room, similar to a hotel room, that contains one open room with beds, futon, microwave, and refrigerator. There is an attached private bathroom containing a toilet, sink, and shower.

Multiplex Furnishings

- Second, a Duplex room, that contains two rooms – one bedroom containing all beds, and one living room with microwave, refrigerator, and futon. There is an attached private bathroom containing a toilet, sink, and shower.

Duplex Furnishings

Meals:

Meals are served in either one or two different shifts in Dining Hall 2 at the Training Center. Your assigned shift will be determined prior to arrival. Your cooperation in observing these assignments is appreciated; doing so avoids long lines and ensures table space for all guests.

At mealtime, early-arrivals line up outside the Dining Hall and are led by the staff in reciting the Philmont Grace. Meals are varied, and there is always a salad/fruit bar, cereal with milk, and peanut butter and jelly for sandwiches. Refrigeration is available in the Tent City offices for infant formula or medications.

If you or a member of your family has special dietary requirements, please let Philmont know in advance either through the registration process or by emailing Philmont.TrainingCenter@scouting.org. Philmont's isolated location limits the availability of many specialized or kosher food items and these items may need to be brought from home. **Philmont's food service staff will make every effort to meet your needs but may not be able to accommodate persons following strict diets for religious or medical reasons.**

Uniforms

Philmont is the National Training Center of the Boy Scouts of America. As a representative of your council, district, or unit, we encourage you to wear a complete BSA uniform to flag ceremonies and meals.

In addition, youth who are involved in Cub Scouts, Boy Scouts, Venturing, or Girl Scouts are also encouraged to wear their Scout uniforms during these times.

Most of the Philmont Family Adventure activities are facilitated in the outdoors, where comfortable clothes to move in are recommended. Field Uniforms are not required for Philmont Family Adventure.

Pets

Pets, other than those required for assistance (such as seeing-eye dogs), are not allowed at Philmont. The Raton Animal Hospital (575-445-2691) can board pets at a standard daily rate. You must place your pet in a boarding kennel before your arrival at the Training Center.

The Tooth of Time Traders

Scouting materials, personal items, gifts, and Philmont souvenirs are available for purchase at the Tooth of Time Traders, located at Camping Headquarters. The store is also an excellent resource for any of your hiking or outdoor needs. The Tooth of Time Traders does accept credit cards. Health and Safety

Philmont provides a full medical staff at the Infirmary, located in the north section of the Camping Headquarters area. The Infirmary has doctors, nurses, and medics on duty around the clock for emergencies. PTC also has a medical officer on duty. Should you or your family need assistance, contact the Training Center medical officer. If necessary, he or she can facilitate a visit to the Infirmary.

Keep in mind that PTC is at 6,600 feet elevation. Humidity is low, so visitors should drink plenty of water to avoid dehydration (10-14 glasses a day). Persons who are overweight, out of shape, or who have health concerns should consult a physician before coming to Philmont. Some Philmont Family Adventure program activities are strenuous, and families should discuss abilities before arriving for program.

The Training Center dining halls and classrooms are wheelchair accessible, as are several tent platforms. Please notify the Philmont Training Center in advance during the registration process, or email us at Philmont.TrainingCenter@scouting.org, if you require a wheelchair-accessible tent platform. Due to limited resources, you must provide your own wheelchair. Unfortunately, wheelchair transportation is not available.

Health Forms

To provide a safe experience at Philmont Scout Ranch, all participants are required to fill out and bring a completed BSA Annual Health and Medical Record with an attached photocopy of your insurance card:

Parts A, B, and C are needed for participants in **Philmont Leadership Challenge and National Advanced Youth Leadership Experience**.

Parts A and B are needed for participants in **Philmont Family Adventure**.

The BSA Annual Health & Medical Record is available on the Philmont Scout Ranch website.

Please do not send or mail your health forms in advance of your arrival.

As part of the check-in process, all forms will be reviewed by the on-duty Health Officer and will be kept on file at the Philmont Training Center Medical Office until the end of the week, when they will be returned.

Please bring any necessary medication (such as asthma inhalers, bee sting kits, or other needs) as these items may not be locally available.

Philmont Weight Limits for Backcountry Participation

Under no circumstance will any individual over 295 lbs. be allowed to participate in backcountry programs, regardless of height or age. This limit is necessary due to limitations of rescue equipment and the safety of Philmont personnel.

The herd is maintained in three pastures and you may see them if you drive two miles west of the Administration complex. Philmont is inhabited by a wide variety of wild animals, including deer, turkey, skunks, raccoons, and black bears. During your stay at the Training Center, there are many opportunities to see wildlife; however, please keep your distance and respect their habitat. In addition, please refrain from leaving scented items (food, toiletries, etc.) out in the open. PTC tents contain storage lockers for smellable items.

The program features materials to support daily devotionals and meditations. Duty to God booklets can be picked up on the information wall in the PTC office.

Philmont Recognitions

Many ask about the Philmont patch. There are several patches available, depending on what activities you participate in at Philmont. The familiar Arrowhead Award is awarded to those who complete a full backcountry trek or Mountain Trek and satisfy

other requirements.

Other unique Philmont patches can be purchased at the Tooth of Time Traders. You will receive a special Philmont Family Adventure patch as part of your check out packet to recognize your participation in our program!

Philmont Country

Philmont Scout Ranch spans 140,171 acres of mountainous territory in the Sangre de Cristo (Blood of Christ) mountain range—a section of the Rocky Mountains located in northeast New Mexico. Elevations at Philmont range from 6,500' to 12,441' and the land varies from forested mountains to semi-arid plains.

Philmont History

Once inhabited by Jicarilla Apache and Moache Ute Indians, Philmont was the site of one of the first pioneer settlements in northeastern New Mexico. The present ranch is part of the original Beaubien and Miranda Land Grant, which was granted to Carlos Beaubien and Guadalupe Miranda by the Mexican government in 1841. Beaubien's son-in-law, mountain man Lucien Maxwell, led the first settlers to the grant in 1848. With help of his friend, Kit Carson, Maxwell's settlement on the Rayado River prospered, despite frequent Indian raids and harsh wilderness conditions.

Carlos Beaubien

Maxwell moved his ranch north to the Cimarron River in 1857, the site of present-day Cimarron. It became a famous stop on the Santa Fe Trail, bringing American trade goods into New Mexico. Ten years after Maxwell moved to the Cimarron, gold was discovered on his ranch near Baldy Mountain. For years afterward, the mountains and streams of Maxwell's Ranch swarmed with prospectors and miners.

In 1870, Maxwell sold his ranch to an English land company known as the Maxwell Land Grant and Railroad Company. After several years, the land was again sold to a Dutch-based company who attempted several development schemes, but eventually sold the land in tracts for farms and ranches.

Oklahoma oilman Waite Phillips became interested in developing a ranch out of the old land grant in 1922. He eventually amassed over 300,000 acres of mountains and plains in a ranch he named Philmont (derived from his name and the Spanish word for mountain, "monte").

Waite Phillips

The Philmont Ranch became a showcase. Immense herds of Hereford cows and Corriedale sheep grazed its pastures. Phillips built a large Spanish Mediterranean summer home for his family at the Headquarters, naming it the Villa Philmonte. He developed horse and hiking trails throughout the scenic backcountry along with elaborate fishing and hunting cabins for his family and friends.

Waite Phillips believed in sharing his wealth with people outside of his family. In this spirit, he offered 35,857 acres of his ranch to the Boy Scouts of America in 1938 to

serve as a National wilderness camping area. The reservation was named Philturn Rocky Mountain Scout Camp (after Phillips's name and the BSA slogan, "Do a Good Turn Daily"). After observing the enthusiastic response of the first Philturn Campers, Phillips augmented his original gift in 1941 with an addition including his best camping land, the Villa Philmonte, and the Headquarters farming and ranching operation. The second gift was made so that many, rather than few, could enjoy his rich and beautiful land. The property, now totaling 127,395 acres, was renamed Philmont Scout Ranch.

Phillips realized that the cost for maintenance and development of the property could not and should not be derived entirely from camper fees. As an endowment he included in the gift his 23-story Philtower Building in Tulsa, Oklahoma.

In 1963, through the generosity of Norton Clapp, vice president of the National Council of the Boy Scouts of America, another piece of the Maxwell Land Grant was purchased and added to Philmont. This was the Baldy Mountain mining area consisting of 10,098 acres. The gift of Baldy Mountain brought the total acreage to 137,493.

In 2015, The National Council of the Boy Scouts of America acquired the 2,678-acre Cimarroncita Ranch which is located adjacent to Philmont near Ute Park. The property will serve both campers and the Philmont Training Center in the future. Philmont is the largest youth camp in the world now totaling 140,171 acres or approximately 220 square miles.
